Chain Spray Protector

Description

Provides optimal, clean lubrication of motorcycle chains without causing unwanted, disruptive soiling on tires, rims, swing arms, etc. Reliably chain spray reliably during application, preventing contamination of the environment and surroundings. Suitable for almost all can diameters thanks to the practical Velcro strap.

Areas of application

For protection against contamination when lubricating all motorcycle chains.

Application

Secure the can with the Velcro strap so that the spray head is above the container. Then apply the spray to the chain.

Available pack sizes

1 pcs Carton	29510
	DE-EN
